**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of living in a place where the choice was high cost, low speed broadband from either AT&T or Comcast, I moved to a city that had more choices for broadband service. Im so satisfied with the service provided by my local provider, that Im writing this letter now. I think the rules that let my local provider operate should stay as is for now. Dont go back to the days of less choice and higher prices.
